

# GS1 Bar Code Training Workshop

**27 February 2013 (9:00am – 1:30pm)**  
Concourse 3, Level 2, 2985 Jalan Bukit Merah Singapore 159457

*If you are looking for a good starting point to acquire knowledge about implementing the GS1 bar coding in your business, then our training workshop is just what you need.*

## Getting Started with GS1 System

Every type and packaging level of a product must be represented by a unique Global Trade Item Identification Number (GTIN). GS1 Singapore's training workshop will help you to learn how to use the GS1 System effectively. The workshop will equip participants with the means to ensure that their company's products are not rejected by retailers due to barcode problems.

The training session is designed to cover the full range of GS1 identification standards and provide you with essential understanding of the GTIN allocation rules.

- **Registration is from 9:00am to 9:30am**
- **Training Session is from 9:30am to 1:30pm includes lunch and tea-break**

This workshop is suitable for current and new users of the GS1 Standards and those who need a refresher course.

## Who Should Attend?

- All new members
- Logistics Suppliers
- Product & Marketing Managers
- Bar code Coordinators
- I.T. Personnel involved in logistics
